NOTICE OF RELATED PATENT APPLICATIONS AND PATENTS
AND INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR 1.97

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant hereby informs the Examiner U.S. Applications Nos. 09/750,122, filed December 29, 2000, and 09/765,584, filed January 22, 2001, and U.S. Patents Nos. 5,351,686 5,456,253, and 6,246,894 are assigned to the same entity as the present patent application, and are believed to be classified in related technologies. It is suggested that the Examiner review this application and these patents for possible relevance to the present application.

Submitted herewith on form PTO-1449 is a listing of documents known to Applicants and/or their attorney in compliance with the requirements of 37 CFR 1.56. Copies of the documents are not

being submitted, as these documents were previously cited by or submitted to the Patent and Trademark Office in the parent application, Serial No. 09/750,076, filed December 29, 2000. See 37 CFR 1.98(d) and MPEP 609A(2).

Since the Information Disclosure Statement is filed before the issuance of the first Office Action on the merits or within three months of filing, no fee is required. The Commissioner is hereby authorized to charge fees under 37 CFR § 1.17 which may be required for consideration of this paper; or credit any overpayment to Deposit Account No. 06-1358.

In accordance with 37 CFR § 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or as an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Applicants do not waive any rights to appropriate action to establish patentability over the listed documents should they be applied as references against the claims of the present application.

RELEVANCE OF THE DOCUMENTS

All of the documents were previously cited by or submitted to the Patent and Trademark Office in the parent application, Serial No. 09/750,076, filed December 29, 2000.

CONCLUSION

It is respectfully requested that the Examiner initial and return a copy of the enclosed Form PTO-1449, and to similarly indicate in the official file wrapper of this patent application that the attached documents have been considered.

If the Examiner has any questions or wishes to discuss this application, the Examiner is invited to telephone the undersigned representative at the number set forth below.

Respectfully submitted,

JACOBSON HOLMAN, PLLC

Date: December 9, 2003
